Skate Night 6-8
@ Skatetown

WE'RE THE T-A-F-T TIGERS -- AND WE'RE FEELING GREAT TODAY! WHY?
Because you're back! Welcome! We hope to see you at every function throughout the year. We'd love your helping hands as volunteers or as PTA helpers – please sign our form or call our office.

- TIME AND TRAFFIC SAFETY REMINDERS:**
- Please always cross the street at the corners where crossing guards are stationed on all sides of the campus – and instruct your child to do the same both before and after school.
 - Please keep “drop-off” traffic flowing on both corners outside the office. To stop and come in, pull past the corners and find a parking spot.
 - Doors opened at 7:30 for breakfast and bus students – drop-off students at 7:50 to avoid hall supervision. Tardy bell rings at 8:00.
 - New procedures are in place for dismissal at 3:00. Pre-K and kindergarten students with their brothers and sisters are loaded together on the north side. First bus route leaves from the gym on the south side. We have street supervision on Seneca to enforce the one-way traffic and to insure the safety of our students.
 - Students not picked up by 3:10 will be waiting for you in the bus-room (cafeteria).

Breakfast Fun!
